## FOR AN EMERGENCY?

***IF GOD SHOULD SPEAK, to the church in America at this momentous hour of human history, what would He say? Would He deliver commendation, bring conviction or perhaps warn of impending condemnation and judgment? Take a moment and ponder. What would our God of mercy, but also of truth say? Our viewpoint may well determine our destiny.***

## AN HISTORIC MOMENT

We are living in an historic and prophetic moment. A New World Order has already been declared. A "new order of the ages" is ushering in a global government, a global economy, a global currency and a global religion. The tributaries of history and prophecy are merging, surging inexorably towards the Second Coming of Christ.

At this propitious moment of history, America... and particularly the church in America... sits at a crossroads. It may well be the same crossroads Israel, as God's "chosen" people, faced in the days of Elijah when, in their spiritually compromised condition, he cried out confrontingly... "How long halt ye between two opinions? If the Lord be God, follow him."

Since God forewarned He would again "send unto you Elijah the prophet before the coming of the great and dreadful day of the Lord" (Mal. 4:5), what will he say to those who then claim the name of Christ. What words of wooing and warning might he bring to those occupying the pulpits and pews of America's churches? Perhaps the Apostle John, through the Revelation of Jesus Christ, gives us insight into Jesus' own evaluation of the Seven Churches of Asia (Rev. 1-3).

## RESTORING FIRST LOVE

"I know your works, and your labor, and your patience, and how you cannot bear them which are evil..." noted Jesus of the Church at Ephesus. "Nevertheless, I have somewhat against you, because you have left your first love. Remember therefore from whence you are fallen, and repent... or I will remove your candlestick except you repent."

Christ's messages to the remaining churches of Asia, representing both the then-time church and the end-time church, revealed the profound ways in which all but one had left their first love and were in danger of apostasizing from the faith. The warnings were dire and would determine destiny.

Charles Crismier III  
Founder, "Save America"

*continued...*

# A merciful, yet just, God is wooing and warning the Church in America to repent and return to her first love.

## AN OVERCOMING CHURCH

Each of the letters to the seven churches of Asia concludes with the words “to him that overcometh.” The Christ we profess as “Lord” desires and demands that we be overcomers. The pathway to recovering FIRST LOVE is defined by confession, repentance and obedience. If we make the choice, God by His Spirit, will help us make the needed changes. And so we present to you *The RETURN*.

## AN EPISTLE OF MERCY

*The RETURN* places in your hands an epistle of God’s mercy and grace to the American church which has long since wandered off the highway of holiness and is wandering in the wilderness with the prospect of the eternal

*We are living in an historic and prophetic moment.*

“promised land” in jeopardy. We have, in major ways, gone back to Egypt in our hearts. And we are lamentably leading the nations to follow our example. Rather than overcoming, we have been overcome with carnality and the spirit of modern or post-modern culture, drifting dangerously toward destruction, wallowing in deception.

For the past generation both Christian and secular polls have determined that there is no meaningful difference between the values and behavior of professing Christians and the secular culture. Even much of our ways of doing “ministry” have been cloned from the secular market. The Master now bows to the Market and has become a virtual mascot to lend spiritual authen-

ticity to largely secular pursuits in the name of “ministry.” It is little wonder that in the last decade more missionaries have been sent by the world’s countries to America than America has sent to the world.

## A DECISION FOR DESTINY

**VIEWPOINT ALWAYS DETERMINES DESTINY!** Just as a merciful, yet just, God wooed and warned the seven Churches of Asia, so His kindness is wooing and warning the Church in America to repent and return to her first love. But we... pastor, people and para – church leader, must agree with the viewpoint of a loving, yet holy, God. For it is written, “Can two walk together unless they be agreed” (Amos 3:3)?

In this loving, yet truth-saturated epistle, Matthew Casey lends his pen to become “the pen of the Lord” to reach a people who, in pride and prosperity” have in many ways become “poor, blind and naked” before the eyes of the Lord. It is a message intensely personal yet profoundly corporate.

---

**“Can two walk together  
unless they be agreed”**

– Amos 3:3

---

As president of Save America Ministries, I was both deeply honored yet seriously humbled by the request of our brother in Christ, Matthew Casey, to write this forward, recognizing the simple yet daunting truth that destiny rides in the balance of our individual and corporate response. It is our prayerful hope that your heart will be stirred.

*But we... pastor, people and para – church leader, must agree with the viewpoint of a loving, yet holy, God.*

It is also our confident expectation that if we truthfully, humbly and joyfully return to our FIRST LOVE that God, by His grace and mercy, will enable us as the Church in America to fulfill our holy purpose of preparing the way of the Lord for the “blessed hope of the church,” the Second Coming of our Lord and Savior, Jesus Christ. *The RETURN* will help us restore our FIRST LOVE.

Yours in His Service,

*Preparing the Way of the Lord  
for History’s final hour,*

## A PASTOR SPEAKS OUT

I wish to thank you for your powerful voice of truth. I visit your website often to listen to the archived audios. They are absolutely eye-opening and astounding. Many people in the churches today do not have any idea what is really happening in the world; behind the scenes and right in front of our faces. Jesus said to watch and pray unless we too may be deceived. The forces of the anti-Christ are working feverishly to bring about the New World Order. I will pray for you and your ministry... even in the midst of unbelief and persecution. Be blessed and encouraged in the Lord. God is your refuge and strength.

**– Pastor Bernard Brown**

# An end-time epistle to the Church in America.

*The time of the last great shaking has begun... and God is both wooing and warning His Church to RETURN to Him.*

With the heart of a shepherd and the unction of a prophet, Matthew Casey offers this loving but urgent call for genuine, Biblical revival in the American Church. From pulpit to pew, he shows the path of RETURN – to our first love for Christ, to the purity and power of the Spirit in our lives and fellowships, and to our God-ordained place of authority and righteous influence in our nation and throughout the world.

This book will rekindle your passion for Christ, refresh your love for His Church, renew your burden for the lost, and revive your vision for how you can be a vessel of God's love and power in these Last Days. Read prayerfully... and expect to be changed.

*"Reading The Return was a welcome and refreshing change from the typical warm and fuzzy pabulum printed for 21 century Christians. I resonated with the clarion call for simple holiness, revival and obedience. My Heart was echoing "AMEN" as I read. It's all about real worship. This is Godly grist!"*

## BEWARE DECEPTION! CAN SAINTS BE SEDUCED? WILL YOU BE DECEIVED?

"Take heed that no man deceive you," declared Jesus the day before his crucifixion. His words were chilling! They cast a frame around life and eternity. In the final moments of his life on earth, Jesus chose to leave the disciples, with whom he had invested his life and ministry, a penetrating and haunting warning they would never forget... a warning that echoes through the centuries to all his disciples preparing for the end of the age.

The apostles did not miss the message. Mark and John both warn of the seduction of the saints. The Apostle Paul describes these

last days as a time of desperate struggle to seduce the minds and hearts of the saints, for "... seducers shall wax worse and worse, deceiving and being deceived," and "some shall depart from the faith, giving heed to seducing spirits."

**Will you be among the deceived?** Can you be seduced? Paul says there is coming "a great falling away" or apostasy. The purpose of this book is to strengthen your faith and to give you the tools to identify and avoid end-time deception and the Seduction of the Saints.

# We Must *Return* to the Old Paths

**Desperate Times Call for Desperate Measures, and this is such a time for the American Church. The world sees that something is desperately wrong in our nation, but knows not how to fix it. This is because the answer cannot be found by worldly means or wisdom. America's only hope lies in a wholehearted return to the God who made her great, in a genuine revival of Biblical proportions.**

"Revival" is a word often used in the Church today, and perhaps more often misused. So what is "a revival?" A revival, as demonstrated in the history of God's people (both in Scripture and in the Church), is:

**A sovereign move  
of the Most High God;  
Orchestrated by God, not man;**

"Not worked up, but prayed down" as Leonard Ravenhill once said. We cooperate with God by persistent, prevailing prayer. However, we do not create nor earn a revival;

**A RETURN** of God's people to Himself through repentance;

**A RETURN** of God's power and presence to His Church, resulting in God's name being glorified, God's people being revitalized in love, faith and obedience, and in the lost being brought to a relationship with God through Jesus Christ.

**Genuine revival  
will (must) include:**

- Conviction of sin, leading to the cleansing of our lives and a heart's desire to please God;

- A rekindling of love for Christ; lukewarmth destroyed, passion restored;
- A burden for souls, leading to salvation. A true revival not only revives the saved, but saves the lost;
- Restored hunger for and experience of the Spirit's power and presence in our lives and churches;
- Societal transformation. Genuine revival of the magnitude to which we refer (and which we so desperately need) must bear the fruit of godly change in the society around us;
- Cleansing the altar of God's Church. This invites the Spirit's fire to fall, and endues God's people with His power once again. Such a Church is impossible for the world to ignore or explain away, for true spiritual power demands a response, whether love or hatred.

A.W. Tozer wrote, "We must know again that awe-inspiring mystery which comes upon men and churches when they are full of the power of God." This is the great need of our day, and the purpose of this book is to be one of the many voices humbly and lovingly urging the people of God to return.

**It is a return to our FIRST LOVE, to faith-filled fellowship with Christ, to the power of the Spirit, and to our intended place of authority and Godly influence. Such a return is America's only hope.**

**It is time to seek the Lord.**

**Thus says the Lord: "Stand in the ways and see, And ask for the old paths, where the good way is, and walk in it; Then you will find rest for your souls."**

**Jeremiah 6:16**

## Message Saves Military Marriage *A Testimony of Hope from a Listener in Massachusetts*

I wanted to let you know how much you and your ministry have touched the lives of our family of four. You have opened our eyes to so much in the scriptures.... We have grown immensely.

Most important. I told my husband of 10 years that due only to your broadcast and your message

on divorce is the reason we are still married. I took your message to heart when we were going through tough times – we are both in the military. I was thinking of the best way to leave my husband when I heard you. It was convicting.

A few months ago I told my husband that we really owe it to you

and your ministry for the Lord that our little family is still together. My son thinks of you as part of our family. It is now with **GREAT JOY** we donate to you and your ministry.

## **THE AMAZING POWER OF THE INTERNET**

> LISTENERS SPEAK OUT ... WORLDWIDE <

## **Will the INTERNET replace RADIO?**

**USE OF THE INTERNET IS EXPLODING!** The world is increasingly wired. There seems to be no question: the Internet is here to stay. In fact, it has become the normative communication channel for those under 40. The over-60 crowd still struggles with high-tech.

But how about radio? Reaching audiences on the Internet is a fraction of the cost of terrestrial radio. And in troubled economic times when donor dollars have dramatically dwindled, what should a ministry do? For now, we try to keep a foot in both worlds, but the last 5 years have seen a profound shift. Many ministries as well as news programs have shifted totally to the Internet.

### **GOVERNMENT CENSORSHIP**

The Internet has proven to be a relatively inexpensive way to get a message out rapidly to the masses. It enables people, communicators, ministries and talk shows to circumvent the usual gatekeepers, whether governmental or ministry, to deliver a message with little re-

striction. The Obama government is seeking now to crush that freedom and power with censorship much as China has done.

The Feds are now seeking to "cut off radio's backup plan." Obama has attempted to resurrect the so-called "Fairness Doctrine" to destroy talk radio's power. Talk radio anticipated falling back to the Internet only. But now, even though the courts have just delivered a blow to the FCC (Federal Communication Commission) saying the FCC does not have the power to enforce "net neutrality," the Obama appointed FCC Chairman is attempting to circumvent the ruling, treating the Internet as a "public utility" to be controlled and taxed."

### **FREEDOM OF SPEECH ENDANGERED**

Perhaps the most endangered "species" in America today under the Obama administration is our First Amendment right of Freedom of Speech. We must therefore maximize our use of this precious freedom while it is yet "day," for darkness is quickly descending to forever snuff out the light of truth.

A New Patented Nano Silver Technology

Available in liquid or gel

The New Silver Sol has been extensively tested at major universities and independent laboratories. It has been proven to be highly effective and non-toxic, has no side-effects, and contains no chemicals or preserva-

tives. Extensive testing on viruses,

ria in the body. The Silver Solution is a must for anyone who is proactive about their health and wants to protect themselves and their families.

For centuries, silver in various forms has been used to benefit mankind. Historically, silver is known to possess antiseptic, disinfectant, and germicidal properties and therefore may offer great assistance to your immune system in fighting against certain invaders of the body.

During the plague in Europe, children from wealthy families were given a silver spoon to suck on, hence came the saying: Born with a silver spoon in your mouth. "Metallic silver has been used for centuries as a natural remedy.

Silver, like so many other micro minerals, is considered by many to contribute to optimum health. Unfortunately foods do not contain much of this trace element today as they have in the past.

The New Silver Sol is easy to take. Take

it immediately upon feeling ill. It will not interfere with any other treatments or medications. You can safely be prepared for whatever is out there!

### Time is Short!

As times tighten up, fear is ratcheting up among God's people. We watch events catapulting our world into chaos, terrifying world leaders but freezing the faith of many believers. The faucet of faith is drying up as professing Christians increasingly reject truth in favor of an ear-tickling message to seek "your best life now." The result... the flow of funds is gradually slowing to a trickle.

### **A TIME of DEPARTING** by Ray Yungen

Ancient mystical practices are being introduced into countless churches under the umbrella of the spiritual formation movement. Also

known as contemplative spirituality, this belief system has roots in mysticism and the occult. Does the silence, as taught by many of today's Christian teachers, really take us into the presence of God, or is it a door that opens to the great delusion and falling away of which the Bible speaks? This book exposes the truth about the new spirituality that is entering the Christian church.

## NEWS & NOTES

### **CHURCH OF GLOBAL WARMING**

The *New York Post* asked, "When did global warming turn into a forced religion?" It supports its own high priests who promote its global gospel of salvation through forced taxes rather than voluntary tithes. Its prophets warn of doom to the planet but care little for the people. Rather than exhorting us to "be fruitful and multiply," they preach population control, abortion and panels to limit health care to "the least of these" not deemed to have sufficient economic value to the global community. It's not heart-warming but a false cult of planetary warming facilitating a world-wide faith, uniting the world's religions. "Meet the Church of Global Warming."

### **MOTHER EARTH VS. FATHER GOD**

"Purging humankind of its supposed sins of environmental degradation has become a religion with a fanatical and often intolerant priesthood...", "declared a geologist in the *Vancouver Sun*. It "is little more than a con trick on the public perpetrated by fundamentalist environmentalists and callously adopted by politicians (mostly globalists)." Says the *Sun*, "Global warming is the new religion of First World urban elites," who despise the commandments of Father God, preferring the perceived cuddly nurture of Mother Nature.

### **PLOTTING OVERTHROW**

The *World Tribune* suggests the Obama team is plotting the overthrow of Israel's government under Netanyahu. The strategy is to "de-legitimize" Netanyahu. The administration of President Barack Obama has launched what officials call "a psychological warfare campaign" to topple the Prime Minister, to force Israel to conform to Obama's world peace plan. Question: Does this place America in the cross-hairs of divine judgment, forcing Israel to offer up its God-deeded land on the altar of world peace?

### **FAKERY, FRAUD... OR FAITH?**

"We've traded the real for the phony," lamented J. Lee Grady in *Charisma*. "We've mastered the art of hype. We know how to fake the anointing...", "a hollow, plastic imitation" of the real. "We can't advance Christ's kingdom with scented oils, fake charms, ear-tickling prophecies and goofy gimmicks." We need the pure Word.
