

# THE PERSECUTION CHRONICLES

*“If they persecuted me, they will persecute you.”*

*~Jesus*

Persecution of Christians and Antisemitism against Jews is raging throughout the world and metastasizing like a viral cancer into and through the mind and heart of the western world and American life. This development is one of the key characteristics revealed in Scripture describing the very end of the age as we approach the final end-time events preceding the return of Christ.

## **Updated Periodically**

These chronicles will be updated as appropriate and will reflect both PERSECUTION of Christians and ANTISEMITISM toward the Jewish people. They will serve to augment the record as contained in the new book...

These include discrimination, economic sanctions, imprisonment, threats to families and organizations, cancelling speech, cancelling rights to practice law, medicine, teaching or nursing (much of which masquerades as “political”) and ultimately death. Consider placing yourself in the position of those suffering these various forms of persecution. How would you respond?
